Eye-D Cam

ID DOCUMENT CAMERA
MOUNTING BRACKET

This wall mount bracket is suitable for wall or desktop mounting for the A100-1 and A200-2 Eye-D Cam cameras.

In dusty environments or in locations where liquids may be spilled into the camera cavity this bracket can be either wall or desktop mounted.

This bracket will help to reduce debris from accumulating on the camera's electrical components.

WHAT YOU GET:

- One wall mount bracket
- Screws to secure the Eye-D Cam into the bracket.

ADVANTAGES

- Employees love it. You've made it easy for the employee to keep the camera clean and working.
- The bracket will help install the Eye-D Cam into locations that would otherwise be difficult.
- The bracket will help to extend the life of the Eye-D Cam.
